## Words from Fr Brendan Clover

Dear friends,

Just before I leave for my post-Christmas break, I wanted to say again how grateful I am to all of you who have made Advent and Christmas such special times, servers, readers, choir, Kevin, Martin, church decorators, church cleaners (Martin), organists, preachers, and to all of you who have attended our services. It has been a proper team effort.

Fr Robert spoke powerfully on the Feast of the Epiphany and he left each one of us a challenge. Can we support an 'additional to Sunday' Mass each week in order to 'pay homage to Christ the King' - I think those were his words?

I wonder if any of you might be prepared to do this, but also to agree to read the reading and psalm at the Mass you have decided to attend. I had a regular at Evening Prayer today and I asked her to read the first lesson. I'm going to ask her to read the first lesson at Sunday Evening Prayer each week... she knows who she is! Just a thought...

Now to happy holidays!

Ever  
Fr Brendan

## Archdeaconry Days 6 to 12 February 2022

Sometimes, even in church, it can feel as if God only calls 'special people'. But God calls us all, because God created us, knows us, and loves us. We are all called daily to live lives that are true to our Christian faith. God also calls us at times in our life to particular roles - which sounds tidy but is often pretty messy! Often those calls are something we take up for a season only. Sometimes they are for the rest of our lives.

The 2022 Archdeaconry Days are running from Sunday 6 to Saturday 12 February. We are going to hear from a range of people from across Bath and Wells about their experience of God's call:

- What has helped people hear their call?
- Have any Bible stories inspired them?
- What about when the call has been far from straightforward?
- Who am I called to be?

## COULD YOU HELP SOMEONE LEARN TO READ?

Many adults in the UK cannot read. On a practical level, this means that even carrying out everyday tasks can be challenging, if not impossible. For instance, many have never been to the doctor as they're too embarrassed to have to read and fill in forms. Being unable to read and write is often associated with depression, isolation and even higher mortality. Read Easy is a charity providing one to one coaching for adults who cannot read.

There are lots of interesting ways to get involved in a Read Easy group and the local group often have vacancies for volunteers, both on our local Management Team and for Reading Coaches. At the moment we are considering expanding to cover the whole of North Somerset and so are particularly looking to fill the following roles based in the north of the area:

- **Coordinator**  
Responsible for meeting and enrolling adults who want to learn to read, matching them with volunteer Reading Coaches and providing them with ongoing support and oversight throughout their reading journey. To be suitable for this demanding but most rewarding voluntary position, you must have strong people and organisational skills and a certain amount of time to spare each week.
- **Literacy Specialist**  
Our Literacy Specialists provide support with literacy issues to the Coordinator and Reading Coaches and assist in running the Reading Coach meetings. The person who takes on this role should have a background in teaching reading/literacy (preferably but not necessarily with adults). Our volunteer Literacy Specialists feel a real sense of pride in giving practical solutions to their Coordinators and Reading Coaches.
- **Referrals Networker**  
This is a vital and interesting role within our Management Team to create and develop relationships with local agencies, such as Job Centres, social services and many others who may be able to refer potential readers to the group. This voluntary position will suit people who thrive on networking and making new connections. The longevity of our local groups is down to securing a steady stream of Reader referrals, so you will play an instrumental part in making sure your group thrives.

We are also looking to fill the role of IT Support based anywhere in North Somerset:

We now offer coaching online so technology has become key to our delivery for some reading pairs. We are now on the look-out for a volunteer in North Somerset who can offer their IT skills to support others when necessary. It is amazing how much difference you could make to your local group by providing IT support. Even the smallest things like setting up email accounts and creating social media accounts can be a real challenge for some volunteers, so your expertise will make the world of difference to helping adults learn to read in your community.

If there is a role listed here that would suit you, please email Sue Hobson at [WsMrecruiter@readeasy.org.uk](mailto:WsMrecruiter@readeasy.org.uk). If there are no suitable vacancies listed at the moment, you can still get in touch if you would like to, and we can keep a note of your interest, if you are happy for us to keep your details.

## Important Public Notice

### Statutory School Admissions Arrangement Consultation

#### Proposals to Alter The Admission Arrangements Applying For St John the Evangelist Church School

##### The Consultation:

In accordance with the requirements of the 2021 School Admissions Code, the Bath and Wells Multi Academy Trust is proposing to remove the designated catchment area for St John the Evangelist Church School which is currently used to prioritise admission applications in the event of oversubscription (Criterion 3).

This proposal is subject to public school admission arrangements consultation according to the timeframe and arrangements set out below. It is proposed that the catchment area will be officially removed on 1 September 2023.

The reason for removing the catchment area is to generally improve the level of fairness for all children. It will no longer be the case that admission applications for children living within a defined catchment line on a map will be prioritised over those applications for children who live more locally when measured by straight line distance. Proximity of the home address to school will determine the application priority whereby those living closest to the school by straight line measurement will be given the higher priority. This also helps to support the principle of a wider school choice for parents and children.

You may view the proposed School Admission Arrangements and changes here:

[North Somerset Admissions – BWMAT](#)

The consultation will open on **3rd December 2021** and will close on **21st January 2022**.

During this period, you are invited to submit any comments concerning the proposals by letter or email:

**Please e-mail:** [AdmissionsNSom@bwmat.org](mailto:AdmissionsNSom@bwmat.org)

**Please write to:** Admission Arrangement Consultation (North Somerset)  
Bath and Wells Multi Academy Trust  
Flourish House  
Cathedral Park  
Wells  
BA5 1FD

##### What happens next?

Following closure of the consultation, the Admission Authority will meet to consider any comments returned during the consultation period. Within eight calendar weeks of the consultation ending, a response will be published on the school website and consultees will be informed of this.

Once agreed in final form the Admission Authority will publish the 2023/24 Admission Arrangements on the school website by 15th March **2022**.
