Could you represent St Johns on the council of Churches Together in Clevedon?

There are 12 Clevedon Churches in CtiC, and together we are able to achieve things which would not be possible alone. For instance it was Churches Together which set up the Food Bank, and before that Clevedon Care, although both are now independent charities. Currently the biggest project is the chaplains. You may see them in the town centre or in the Hill Road area, wearing their grey sweatshirts. They are members of local churches who have been trained to offer support to local businesses and market stall holders. We also support Changing Lives and YMCA, and refugees in Clevedon.

CtiC organises united events such as the Good Friday service in Queens Square.

The council meets 6 times a year, when representatives from all the member churches get together to share what is happening in the town and discuss the way forward. It is always interesting and sometimes inspirational to meet representatives from the other churches and hear what they are doing. I have been representing St Johns for a number of years, and have loved doing it, but find I can no longer manage the meetings.

If you feel this could be for you, speak to Nicola or Judith.
